

## The Feed openings: Vander Bar, Paulie Gee's and more

**Vander Bar** With the arrival of this bar in the Roosevelt Hotel, midtown office workers have a new option for a drink and a snack before boarding the Metro North home. Patrons can loosen their ties over pints of draft beer—including Guinness, Paulaner Pilsner and two selections from Brooklyn Brewery—and put away their PDAs in favor of house cocktails like the Blackberry (black-raspberry vodka, lime juice, splash of cranberry). A menu of small plates lists such dishes as a crabmeat cocktail with avocado and lime dressing, and miniburgers with caramelized onions. Take note, this isn't a late-night spot: The bar closes at 9pm. *The Roosevelt Hotel, 45 E 45th St at Vanderbilt Ave (212-661-9600)*
